

## **21st City Council District**

**Julissa Ferreras** (D)

Hello, my name is Julissa Ferreras and I'm running to be re-elected as your City Councilmember.

I'm proud of the results I've been able to deliver since I was first elected, such as the New Deal for Roosevelt Avenue, which will create jobs, reduce crime and create a vibrant small business area.

In addition to this, the six new schools that will be created in our district ensure our children will get the education they need to thrive.

Passing paid sick leave means your job is more secure.

We're working hard to reform Stop & Frisk so our community will be safer and crime will be reduced.

We've renovated community soccer fields, created tougher laws on sex trafficking, expanded health care access, created Corona Plaza, enhanced the 82nd St Business Improvement District and doubled sanitation pick-ups.

Everyday I'm working to deliver needed funds and resources to our community.

By working together, we're moving the community forward.

There is more work to be done.

We need to expand economic opportunities for everyone.

We need to create more public green spaces where we can gather with our families.

And we must continue to do more for our children's education.

If re-elected, I promise to continue to fight every single day in the City Council to help move our community forward.

Thank you for the honor of serving you in the City Council.
